Extremely Heavy HQ
178 Myrtle Blvd
Larchmont, New York 10538
United States

Dear Hiring Team,

I am writing to express my strong interest in the Software Development position within Extremely Heavy(XH), as advertised. With a comprehensive background in Computer Engineering, a keen interest in technology, and a passion for problem-solving, I am excited about the prospect of contributing to the multifaceted and dynamic nature of XH's projects.

As a recent **graduate from New York University** in Spring 2024 (expected May 2024), I bring a fresh perspective and a strong foundation in Computer Engineering. My prior experience as a **software engineer at IBM**, where I specialized in full-stack development involving **Java 8, Python, React, Angular, SQL, Git, and Google Cloud**, coupled with my exceptional critical thinking skills, will undoubtedly empower me to excel in the role of an Associate Solutions Consultant.

The opportunity to work directly with XH engineers and clients to develop efficient and elegant user interfaces resonates deeply with me. I am particularly drawn to the challenge of building sophisticated web applications for the financial sector, an area where precision, reliability, and innovation are paramount. Your emphasis on collaborative problem-solving and mentorship aligns with my own values, and I am eager to contribute to the continued success of the XH team.

Moreover, the prospect of contributing to Hoist, XH's open-source framework, is incredibly exciting. I am enthusiastic about the opportunity to not only utilize cutting-edge technologies but also contribute to the advancement of the development community at large.

In return for this opportunity, I offer a strong work ethic, a dedication to delivering high-quality solutions, and a commitment to ongoing learning and professional growth. I am confident that my skills and enthusiasm make me a strong fit for this role.

Thank you for considering my application. I am eager to further discuss how my background, skills, and passion for software development can contribute to the continued success of Extremely Heavy. I am available at your earliest convenience for an interview and can be reached via email at **ss16924@nyu.edu** or by phone at **+19178158731**.

Sincerely,

Savinay Shukla
